

FORD'S COLONY COUNTRY CLUB **TOURNAMENTS**

Match Play Tournament

The Match Play Tournament is the first Country Club sponsored golf event of the season. This will be a flighted individual match play tournament with the first round on Friday, May 7th and continuing with subsequent rounds on May 8th and 9th.

FCCC Mixed-Member-Guest

Ford's Colony Country Club sponsors a one day Mixed Members Guest event which is an excellent way to show off your Club. This event includes a practice round and an elegant reception and dinner following play.

Red Coat Championship

The "Red Coat" is a two-day, two-man, best ball tournament sponsored by Ford's Colony Country Club. Each two man team competes for cash prizes, the right to attend the Red Coat annual dinner, recognition on the perpetual Red Coat plaque prominently displayed in the clubhouse, and most importantly the "RED COAT" jacket presented to the winning team. There is no more prestigious event except possibly the one for which only cash and a green jacket are awarded someplace south of here. So why not stay close to home and settle for the Red Coat.

FCCC Championship

The Country Club Championship is open to any member of the Club, which of course, includes MGA members as well as those club members not in the MGA. The event is a three day, full handicap, individual stroke play championship with flights by handicap for both silver and gold tee players. Prizes are awarded for overall champion for low gross regardless of flight in the open, senior and super senior categories. In addition, prizes are awarded to the low gross and low net in each flight. Each day prizes are awarded to long drive and closest to the pin on select holes. This tournament is typically played on three successive days and therefore is the most challenging of our tournaments but also one of the most rewarding.

FCCC Member-Guest Tournament

Ford's Colony Country Club sponsors this three-day tournament, which is the ultimate in golf, social activity and dining. Ask any member who has participated in this truly spectacular weekend and you will hear only praise for this first class event. The tournament is fabulous and the food is very, very special. The prizes, activities and recognition are unsurpassed. This is almost certainly the most popular tournament of the year; so a word to the wise, get your application in early.
