

HOME & AWAY TOURNAMENTS

Each year the MGA schedules Home & Away matches with other Clubs in the area. These matches are social as well as competitive with the emphasis on social. These events are very popular with our members. Following the matches, lunch is served and prizes are awarded. These tournaments offer a wonderful opportunity to play at other good courses and to enjoy the game with friendly and hospitable people from other clubs.

When you sign up for a match you are expected to play in BOTH the home and away events. The total cost of each match, home & away, is approximately \$70.00, if you are on the FCCC trail fee. If not, you must also pay your cart fee for the FCCC segment. This cost covers your golf, cart fee and lunch at the away match, as well as your lunch at Ford's Colony. The charges will appear separately on your bill.

The number of MGA members desiring to play in these events sometimes exceeds the number of spots available, so we try to arrange it so everyone gets to play in at least one H & A.

You may sign up for these matches in the computer room. Sign up sheets will be available in Mid March.

HOME AND AWAY SCHEDULE
