

INTERCLUB MATCHES

Williamsburg Cup

Each year Ford's Colony competes with four other area clubs for the Williamsburg Cup. The competing clubs this year will be:

**Williamsburg Country Club
Williamsburg National
Kingsmill Club
Two Rivers Club.**

Each participating club will play each other two times (once home, and once away), in a match of six (6) two man teams, in a 4-ball, best ball format. Three two man teams play in the "Gross Flight" (no handicaps or strokes), and three two man teams play in the "Net Flight", with strokes played off the low handicap. Handicaps are based on the player's current USGA index. Those eligible to play must be a current, active member of the MGA, be at least 55 years of age, and have a USGA handicap of 18 or less.

There are qualifying rounds for players in the Net Flight to determine who will play in each of the matches. Qualifying rounds usually will be one week prior to the match scheduled with the competing club, and on a day when most MGA members are playing. Communication to remind you of qualifying dates, and match dates, will be made by email throughout the season, as well as an announcement the day of qualifying. On qualifying days a score sheet on the club score board will display all scores of those attempting to qualify.

The six golfers who carry the lowest handicap ranking for the month when qualifying takes place will be the qualifiers for the Gross Flight.
