

## **A Letter from the President**

February, 2010

To All MGA Members:

Spring is just around the corner and the 2010 golf season is almost upon us. This year will mark the beginning of the 21<sup>st</sup> year for the MGA. Let's all plan on participating whenever and wherever possible and make this year just as successful as the last 20 years.

We are always looking for volunteers whether it is as a weekly tournament director, special tournament chairman, committee member for the Olde Towne Medical Challenge or the Dinner Dance or by just helping out in some other capacity. The Club and the MGA are only as good as we make them. Remember that participating is fun; not only will you benefit the organization, you will make yourself feel better and you may meet some new friends. The MGA is growing and getting better every day. Let's keep it that way; support your Club whenever possible.

We have three challenging golf courses and a wonderful clubhouse in which to meet before and after golf. We have a great bunch of guys making up our MGA of over 360 strong. How many times have you heard it said around the Club "Just another day in paradise!" Sometimes we forget how lucky we are to live in Ford's Colony. In going forward this year let's try to remember to always look on the bright side and work to make our Club the best in the area.

I thank you all for your continued support this year. I hope to see you on the golf courses and around the Club.

Rick Jackson  
President
